

6 Hour Wedding Photography + Film Collection

\$3,990

Why choose a 6-hour hybrid package?

A 6-hour hybrid photo + video package gives you the best of both worlds — premium photo and video coverage without the full-day price tag, all personally captured by Anthony. It's perfect for couples who want the key moments captured (prep, ceremony, portraits, and the start of the reception) while staying smart with their budget.

You still get professional storytelling and beautiful coverage, but at a fraction of the cost of booking photo and video separately. Pricewise, its incredible value, and with flexible instalments, you can lock in premium coverage without the stress of one large upfront payment.
